

**HIGH VALUE AGRICULTURE DEVELOPMENT AGENCY
ANDAMAN AND NICOBAR ADMINISTRATION
DIRECTORATE OF AGRICULTURE**

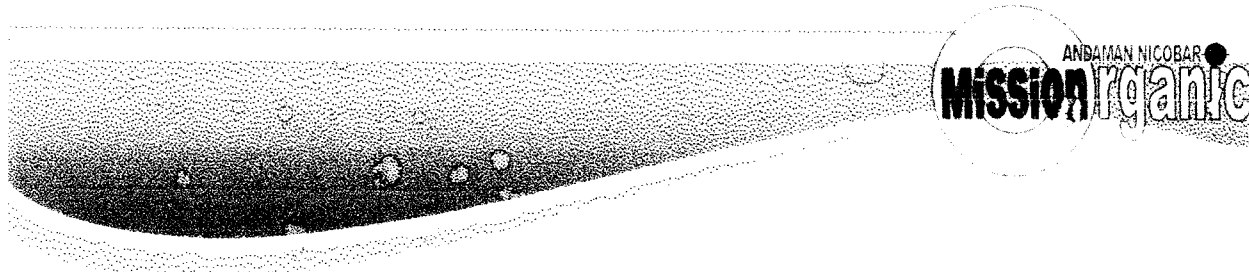

PRESS NOTE

The Department of Agriculture has resolved to launch "Mission Organic in A & N islands" with the objective to declare the entire Andaman and Nicobar Islands as **Organic Islands**, by developing sustainable agriculture system and an alternate strategy over chemical farming, which would be a guideline for working of biological processes in natural eco system.

To implement the programme, a document on "Mission Organic in A & N Islands" is prepared by the department which includes Plan of Action, Policies & Strategies and Governance. The document can be viewed in the A & N Administration website www.and.nic.in.

In this context, the Department of Agriculture requests valuable inputs, comments and suggestions for effective implementation of the mission. Hence, general public, farmers, scientists, scholars, research institutes and other organizations are requested to send their inputs/ comments/suggestions latest by 15th July 2010 either by post to the Director of Agriculture, Directorate of Agriculture, Haddo, Port Blair- 744102 or through email- diragri7@gmail.com.
